

What is Oceanside SEPTA?

SEPTA (Special Education PTA) is a district-wide PTA unit, focusing on the needs of children who receive Special Education Program Services, Gifted and Talented Education, in addition to those receiving Special Related Support Services, Section 504 accommodations and their families.

What does Oceanside SEPTA do?

SEPTA recognizes that students have a broad range of learning styles and abilities and aims to support existing or innovative programs so each child's educational experiences is maximized.

We sponsor and help launch a variety of events as well as unique activities for ALL children.

We collaborate and strengthen partnerships among the district's staff and serve as a resource for parents and teachers.

We provide, throughout the school year, formal meetings comprised of speakers and workshops; and Parents Teas, addressing an array of topics that are important to our special families.

All **SEPTA** meetings are free of charge! Please become a SEPTA member and together, we can continue to support our children! Please contact Pat Block at for additional information. Thank you for your membership! We look forward to a great year in the Oceanside School District.
